

A.S.P. – Forwarding company

About us

A.S.P. Bvba is a Belgian freight forwarding company founded in 1989, with a highly motivated and experienced staff, based in Antwerp and specialised in the handling & clearance of perishable goods. We offer a personalised service in order to respond flexibly to the needs of our customers. We guarantee a fast, reliable and professional service.

A.S.P. Bvba takes care of all transports, import/export customs formalities, fiscal representation, veterinary inspections, phytosanitary controls, dry, refrigerated and frozen storage and the associated logistical handling, in compliance with the relevant EU and national regulations.
